

Happy 75th year for River Garden

Annual membership dues are \$25.00

Lifetime membership dues are \$250.00

Life in the time of COVID19 has certainly changed our perspective on things. We all have had to make changes to keep our loved ones safe. Your membership is a very meaningful opportunity to show your direct support for our senior community.

The Auxiliary was started in 1922 by the women from our community to help the aging Jewish community live a comfortable life with dignity. Today we have grown in every way possible. We have an independent living community, a long-term care community, a memory care community, an adult day care community, and a rehabilitation unit. All of these areas are directly impacted by the generosity of the volunteer members from the River Garden Auxiliary. 100 % of our fundraising goes directly to the needs of our residents. We cannot thank you enough for your wonderful support.
