By Mauri Witten Mizrahi, Chief Executive Officer

Summer, to me, is a long walk on the white sand of a breezy, sunny beach overlooking the rhythmic waves of the vast cool ocean waters. Summer at River Garden is the return of the Junior Volunteer program filled with resident bike rides, musical performances, interactive games, cooking demonstrations and enduring friendship.

The short-stay post-acute care rehab program has resumed full operations this summer and Justin Bowman, MSN, RN, HACPCMS has been welcomed as our new Assistant Director of Nursing. Justin has extensive clinical and administrative experience. His talent for quality assurance reinforces River Garden’s culture of outstanding care.

Also, this summer the River Garden Foundation is finalizing plans for the 30th Annual River Garden Foundation Gala – A Time to Shine - which will be December 10, 2022 at the Sawgrass Marriott. Gala chairs Sue Eaglstein, Debbie Parker, Jeannie Rogozinski, Debra Setzer and Stacie Wilf and the Gala Committee will spotlight River Garden as well as recognize Kathy Osterer’s devotion to River Garden over her 23-year career. This summer River Garden will benefit from the \$104,508 raised by the 26th Annual River Garden Classic chaired by Tom Harris and sponsored by Hardage-Giddens Funeral Homes and Cemeteries along with Jody and Janne Brandenburg.

Summer at The Coves is a time for fun inspired by our new Coves Life Enrichment team, Liz Jackson and Ashley Burch, and a time to get fit with Wellness Coordinator, Paige Bedard. We will celebrate our fathers on Father’s Day with a hearty

brunch prepared by the creative and committed dining services team led by Chef Norberto Irizarry. The Coves apartments are filling fast. Make an appointment to tour and if you are not ready to move in now, be sure to add your name to our growing waiting list.

Summer is the time for leadership to reflect and recharge. In early June, the River Garden Senior Services Board hosted an ‘All Boards Retreat’ on the River Garden campus for the River Garden Hebrew Home Board, the River Garden Foundation Board, and The Coves Board. As eldercare evolves and adjusts to the impact of the past two years of disruption, River Garden remains committed to being both flexible and focused on meeting the needs of seniors and their families from all backgrounds as an integral part of the Jacksonville Jewish community.

River Garden continues to be rated “5 Stars” by the Federal government and is a preferred provider to area hospitals and insurance companies. The Home is a nine-time recipient of the Governor’s Gold Seal Award for Excellence in Long Term Care. This spring the nursing care center, the short-stay post-acute care program and our private duty home health care agency were re-accredited by the Joint Commission on Accreditation of Health Care Organizations. In May, River Garden was recognized by Newsweek for the 3rd year in a row as the top nursing home in the state of Florida.

Summer begins with the celebration of Shavuot. The holiday commemorating the giving of the Ten Commandments on Mount Sinai. The fifth commandment guides the sacred work of River Garden, making this an ideal time for our River Garden community and family to remember to “Honor thy father and thy mother, that thy days may be long upon the land which the Lord thy God giveth thee”.

I hope you enjoy the summer issue of the River Garden News. Our future is bright.

On May 22, 2022, Mauri Mizrahi accepted a L’Dor V’Dor Community Partner award from the Galinsky Academy. Hebrew Home Board President Larry Goldberg, along with other Board members were in attendance.

Mother's
Day

Mimi Kaufman & Mauri Mizrahi

This year's closing meeting for the Auxiliary Board was the first in-person gathering in nearly two years, and was a celebration of many accomplishments. Mimi Kaufman, Auxiliary President, presented Mauri Mizrahi, CEO, with a donation of \$7,000 and the attendees enjoyed a presentation by Ashley Burch titled **"Nurture Your Nature- How Connection to the Natural World Helps Us Better Care for Ourselves and Others."** Ashley works at The Coves as Activities Assistant and Garden Club Coordinator, with a passion for Therapeutic Horticulture. During the presentation, benefits of nature were observed and discussed with aesthetic, emotional, cognitive, and spiritual perspectives.

The meeting concluded with the message **"Lets *root* for one another and help one another grow, by nurturing our nature."**

See page 17 for information about Auxiliary membership.

Activities and Life Enrichment

Fun at The Coves

Members paired-up, teamed-up and cheered-on each other as they welcomed back The Coves Senior Olympics! Training began in late April, ending with finals the last week of May. An internationally inspired Awards Dinner took place on June 9th to celebrate the winners. Medals of bronze, silver and gold—paired with glowing smiles of accomplishment—shined throughout the evening. A special “spirit” award was giving to Mrs. Betty Barnes for being present at every event, supporting her friends and neighbors.

Jewish Life on Campus

Our yearlong intergenerational project with the Martin J Gottlieb Day School enabled seniors and students to develop relationships and create bonds through the “Better Together Buddy Program”.

Holidays were especially fun to work together in planting seeds and hanging fruit from the tree limbs for Tu B’Shevat.

Our last meeting for the school year included playing the hilarious “The Jewish Foods Memory Game”.

The kids were in competition to find such foods as Babka and Borscht to be declared the winner with the most matches.

The Jacksonville Jewish Center youth group joined our Coves members in accepting an amazing opportunity to “meet” Israeli artist, Hanoeh Piven. Piven, born in Uruguay, is a mixed media artist known for his collage portraits. We joined his workshop on Zoom specifically for seniors partnered with children to create a portrait using three dimensional everyday items found inside of one’s home. The afternoon was a huge success as the finished pieces were whimsical and expanded the creativity of the participants.

We paused during the counting of the Omer to celebrate the holiday of Lag B’Omer. The smiling faces and the sounds of laughter was a beautiful sight as friends reconnected under a brilliant sky. Our residents, Coves members and staff thoroughly enjoyed an outdoor cookout provided by our Dining Services.

Our campus always looks forward to celebrating Purim, looking behind the masks and costumes to recognize familiar faces. This year we welcomed many new faces to read The Book of Esther including The Temple Rabbi and Cantor, River Garden board members, friends, and volunteers along with our CEO, Mauri Mizrahi as Queen Esther. It was a joyous morning filled with music and enjoying hamantaschen.

Hazzan Holzer from the Jacksonville Jewish Center accompanied a group of Martin J Gottlieb Day School students to an early celebration of the Passover holiday with our residents and members of The Coves.

With Haggadahs in hand, all took an active part in the retelling of the Exodus story at our model seder. Hazzan created an enhanced experience with strumming melodies and songs on his guitar. The week included homemade, delicious matzah brie and Passover trivia with an active group discussion.

Holocaust survivor and Coves member, Manfred Katz was the keynote speaker at our annual Yom Hashoah program. Mr. Katz was recently interviewed by students from the Torah Academy for a Holocaust documentary film project titled, “Names Not Numbers”. Breindy Lazor, High School Coordinator at the Torah Academy, coordinated this amazing, once in a lifetime, educational learning opportunity. You may Google “Names Not Numbers” to learn more how students around the country are participating.

Short-Stay Admissions: Ask for River Garden

Would a week or two of focused recovery under the care of experts be wise for my ultimate recovery?

Within our Jewish community and beyond, River Garden has an excellent reputation for care. Federal and state statistics back up our work. National consumer surveys with Newsweek and Consumer Reports also validate these top-ratings.

After two years of ups-and-downs, River Garden is now ready to serve more short-stay, post-acute & rehab patients. Typically these patients have been in the hospital for joint replacement, cardiac repair or other significant surgery, or a serious medical condition. While some patients are able to return straight to their home for recovery, a short visit at River Garden enables many others to receive the necessary care and therapies to strengthen their bodies before advancing to the next level of care.

While in the hospital, many patients do not realize they can actually **request the rehab of their choice**. If you, a family member or friend is facing a situation where rehab might be required, **please ask the case manager or social worker at the hospital to send River Garden a referral**. We work with all hospitals, and this a standard practice for all discharges.

Once a referral is received, our Admissions Liaison, Nkafu ‘Kay’ Ekokobe, can visit you and/or your family in the hospital if necessary, and Cheryl Weidner, our Director of Admissions, can begin reviewing your electronic health records to verify our ability to meet your care needs. Please remember, the work of the Admissions Team often starts early and planning is key to success.

Your recovery could be a few days or a few weeks. We will work to maximize benefits and return you home as soon as possible. We offer physical, occupational and speech therapies and have comfortable, private rooms. **Remember to ask for River Garden rehab!**

— 30th — River Garden Foundation — Gala —

A Time to Shine

There is a lot to look forward to this year: not only will we be hosting an in-person River Garden Foundation Gala again on **December 10th** at the Sawgrass Marriott, but we'll be celebrating the 30th anniversary of this premier community event. The River Garden Foundation Gala is the major annual fundraiser for River Garden Hebrew Home, supporting exceptional care for all seniors we serve with dignity and compassion.

The Gala has tremendous history and many of you have special memories of attending throughout the years. It seems only fitting that as we celebrate this milestone anniversary we take the opportunity to recognize retired Chief Development Officer, Kathy Osterer, for her excellence in developing community relationships and loving devotion to River Garden. We are also extremely fortunate to have five former Gala Chairs step up to chair this year's event, Sue Eaglstein, Debbie Parker, Jeanine Rogozinski, Debra Setzer and Stacie Wilf. Their talent and shared passion for River Garden will produce another spectacular Gala that will shine a bright light on the excellence of River Garden.

Plans for the event are well underway and we all hope to see you **December 10, 2022 at 7 PM at the Sawgrass Marriott.**

Sponsorship opportunities are available.

Please contact Christina Levine at clevine@rivergarden.org or (904) 886-8430 for more information.

26th Annual Golf Tournament

We were proud to host the 26th Annual River Garden Classic on April 13, 2022 at Deerwood Country Club, sponsored by Hardage-Giddens Funeral Homes and Cemeteries and chaired by Tom Harris. There were 102 players who participated in the tournament and \$104,508 was raised. Tournament proceeds benefit educational programs to train and validate skills and competencies of the hundreds of staff working at River Garden.

The River Garden Classic was a success on a number of levels, not only raising significant funds but also providing the opportunity to build awareness of the exceptional care we provide and the pride we take in serving the seniors of our community. It's always wonderful to see River Garden friends who have supported the tournament for numerous years and equally rewarding to build new relationships.

Special thanks to tournament Chair, Tom Harris, committee members, generous sponsors, volunteers, players and staff who contributed to the success of this event. We are deeply grateful to you all!

Jody Brandenburg, President of Hardage-Giddens Funeral Homes & Cemeteries, is all smiles at the tournament.
